

LEWIS COUNTY COMMISSIONERS

360 NW North Street

Chehalis, WA 98532

I am seeking appointment to the Veterans Advisory Board for Lewis County.

Name: Frank L. Corbin

Address: 438 Kirkland Rd, Chehalis, WA 98532

Phone: (503) 201-3333 Service Organization: None*

Why do you want to serve on the Veterans Advisory Board?

I am a US Navy Veteran with four years of honorable service. I have supported Veterans during nearly 25 years of pastoral ministry, and during my 14 year tenure with the Department of Veterans Affairs where I served Veterans as a Veteran. I served during the Cold-War but not during a period of war. I earned an Expeditionary medal, Good Conduct medal, and Sea Service Deployment medal. I suffered no injuries during my enlistment so I did not qualify for any VA disability benefits. I was a Radioman E-4 (RM3) at the time of discharge after being stationed two years in Subic Bay, Philippines and approximately two years onboard the USS Camden (AOE2) which was homeported in Bremerton, WA.

My leadership experience operating and maintaining a communications center were instrumental in helping me develop a leadership style that gathered the input and support of those who worked with me. My experience will be a benefit to Lewis County as I wish to help seek solutions to Veteran problems such as homelessness, substance abuse, under/unemployment, and re-integration.

*I never joined a "service" organization because I couldn't qualify. However, this past week I heard from a friend that the rules and qualifications for joining have recently changed so I may look into the various organizations to see if there's one I may be interested in.

What skills, service background, or volunteer experience will you bring the Board?

I've had the privilege to work for the US Department of Veterans Affairs (USDVA) for 14 years. Here, I briefly list the duties I performed:

1. At the Veteran Benefits Administration (VBA) Portland Regional Office (PRO) I processed Veteran claims for benefits as a Veteran Service Representative.
2. At the VBA PRO I worked as a Staff Assistant (SA) in the Vocational Rehabilitation and Employment (VRE) division primarily in the areas of procurement and contracting as a Contracting Officer (CO) and as a Contracting Officer Representative (COR), data collection and analysis, Vocational Rehabilitation Counselor (VRC) performance appraisals, SWOT analysis, and authored White Papers, executive summaries, program manuals, SAO's, and system enhancement implementation and tracking to name a few.
3. At VBA Central Office (VBACO) in VRE Service (VRES) in Washington, DC, I was a Program Analyst (PA) and I oversaw the implementation of congressionally appropriated funds for the benefit of Veterans under the VBA VRE program nation-wide. I also served as a COR for contracts and as an assistant COR for the VetSuccess national contract. VRES obtained a new system called Oracle-Business Intelligence Enterprise Edition (OBIEE) which provided a powerful tool to access, gather, and analyze data from the national data warehouse. I learned to use a number of the systems' functionalities for regular use in report preparation for senior VBA management. I successfully worked on cross-functional teams to implement systems and programs and I was the lead on a number of national calls in support of new VBA programs and initiatives. I have had training in process improvement, program development, implementation, evaluation, and change.
4. My final position with the VA was as a PA for the Veterans Health Administration (VHA) Workplace Violence Prevention Program (WVPP). This Washington, DC based program was physically located in Vancouver, Washington where we "tele-worked." As a PA, I managed the budget, expenditures, and formulated basic analysis of the new program budget. I was also a system administrator helping the

team design, build, deploy, and evaluate a new data collection system that collected data on incidents of workplace violence so that programs and education materials could be developed to train VA staff in how to handle escalation within the workplace. This cross-functional team comprised of mental health professionals, medical professionals, VA police, and VA management helped inform the data collection system development and ongoing system improvement and this team also provided valuable input in curriculum development.

I drafted, negotiated, and finalized for the Director's signature program MOU's, Interagency Agreements, and other such contracts for services necessary for program development and implementation.

I appreciate being considered for this board. If you have any additional questions, I would be most happy to answer them. Thank you!

I am seeking appointment to the Veterans Advisory Board for Lewis County.

Name: Kenneth E (Ken) Norwood

Address: PO Box 466 Ethel, WA 98542

Phone: (361) 954-6197

Service Organization: Marine Corps League, Military Order of the Devil Dog.

Why do you want to serve on the Veterans Advisory Board?

I have always felt the need to serve from the beginning of my career in the Marine Corps. I see there is a need to give our Veteran community a voice. Many of our Veterans do not feel they have a voice in their treatment both in the community and at higher governmental levels. I hope to give our local veterans that voice.

What skills, service background, or volunteer experience will you bring the Board?

I served in the US Marine Corps on active duty for over 20 years and retired as a Gunnery Sergeant. While in the Corps I served as an Artillery Electronics Technician, I repaired and operated Communications Equipment, I drove military vehicles and hauled hazardous materials. I was an Instructor at the Marine Corps formal school teaching Artillery Electronics Repair and eventually was assigned as the Chief Instructor at the same school. I was the Operations Chief for the 12th Marine Regiment. I was billeted as the Maintenance Chief for several different units during my career.

While living in Eugene, Oregon I worked as an Adult Volunteer with the Emerald Empire Young Marines. I was asked to be the Training Officer and subsequently was asked to become the Unit executive Officer. Within about 1 year I was elected the organizations Unit Commander. I served in this capacity for approximately 6 years. I was a member of the local Marine Corps League Detachment and served as the committee chairman for the Young Marines. I served as a volunteer for the local Toys for Tots campaign eventually becoming a board member. Upon moving to Washington, I became a member of the local Marine Corps League Detachment, while here I have served as the Detachment Junior Vice Commandant, Senior Vice

Commandant and am currently serving as the Detachment Judge Advocate and committee chairman for the Young Marines. I serve on the committee for our local Toys for Tots Campaign, I developed a Young Marine Unit here and was elected Unit Commander for the Lewis County Young Marines. I continue to serve as the organization's Unit Commander. I believe I have the ability to communicate with people from a variety of backgrounds and can be a positive member of the Lewis County Veterans Advisory Board.
