Between: Lewis County Public Health & Social Services, and

Provider: Bird's Eye Medical

Purpose

- **Extend duration to October 18, 2021**

It is mutually agreed therefore that the original MOU, 'Birdseyemedical_MassVacCOVID-19, Bird's Eye Medical Mass Vaccination COVID-19' is hereby amended as follows:

The term of this MOU shall commence on 1/21/21 and terminate on 10/18/21.

The need to amend is driven by grantor funding requirements specifying services be contracted within a timeline of 90 day increments.

- **Update 'Price Schedule' listed table in Exhibit B: Budget, Invoicing, and Payment.**

The need to amend is driven by a reduction in hourly rate for several roles as described in the pricing schedule of the original MOU. Services will be invoiced in accordance with the new rate schedule as described in Amendment EXHIBIT A. (EXHIBIT A is an amended version of table 1 of Exhibit B in the original contract.)

- **Add \$280,000 to the original \$750,000 budget, for a new total budget of \$1,030,000.**

The need to amend is driven by a continued need for COVID-19 Mass Vaccination services by Birds Eye Medical in the best interest of the residents of Lewis County, and original budget depleted.
