

Lewis County, Washington

Commissioner Districts and Voting Precincts
with 2020 Census Populations

Option #2: Claquato, Logan, Salzer, & Ferrier Exchanged

DRAFT

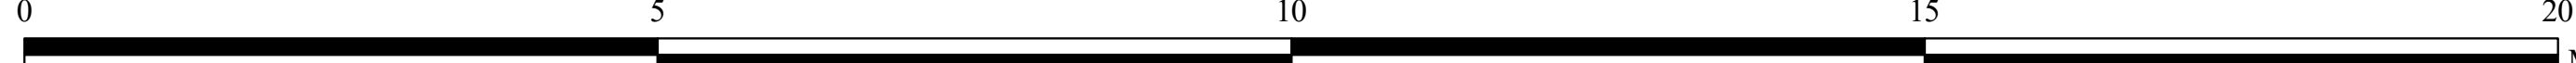

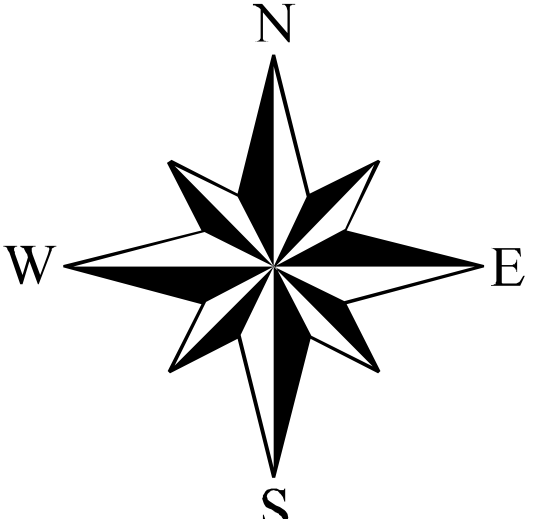

This map includes proposed changes to eleven precincts:
Parcuvia, Union, Berwick, Prescott, Drews Prairie, & Salmon Creek are split along I-5 to accommodate new Legislative District lines.
In addition, Crego, Onalaska, Prescott, & Salmon Creek are further split to reduce the number of registered voters to less than 1500. The Newaukum precinct absorbs all portions of Parcuvia, Union, & Berwick west of I-5 and Drews Prairie absorbs the portion of Salmon Creek precinct west of I-5.
As a result of these changes, seven new precinct names are created: Crego E, Crego W, Middle Fork, Ferrier, Eadon, Meier, & McNulty.
Lastly, the Stearns Creek & Emery precincts trade names due to public comment and request.

The Legislative District line running through Lewis County separates 19 in the west from 20 in the east.
At later dates, more precinct changes could be implemented to account for Legislative and Congressional district amendments adopted by the state, city changes to council districts, junior agency changes to commission/director districts, or other administrative needs.
Lewis County continues east to the Cascade crest. All precincts east of Onalaska are in BoCC District 3 and will remain so.
Voting precincts within Centralia, Chehalis, and Napavine are not shown due to scale limitations.
