RE: Lewis County Water Sewer District #3
2010 Water System Plan

The above subject Water System Plan has been updated and revised consistent with the requirements noted by Sue Kennedy LCPHSS of October 2019. I have no further comments and recommend it be approved by the Director of Lewis County Public Health & Social Services.

Please find attached a form for your signature memorializing that approval to be submitted to Lewis County Public Works and who will provide it and their recommendation to the Board of County Commissioners.

If you have any questions or concerns I may be reached at 360-710-2691 or email Sue.Kennedy@lewiscountywa.gov.
