RE: 2019 Certification of Administrative Refunds for Levy Roads

As part of this year's levy process, we must receive from each district the amount of Administrative Refunds they wish to levy for in the 2020 tax year. This amount is determined by the refund amount each district has had to pay out to taxpayers from October 1, 2018 thru September 30, 2019. These refunds could be due to exemptions granted after levies were certified, BOE decisions, destroyed property or others. Please check the appropriate option below, sign, date and return this form by November 30, 2019. By selecting an option below, you are stating that the amount stated will be in addition to your Levy Certification.

- ☒ Certifies to collect \$18,985.77 in administrative refunds for the 2020 tax year.
- ☐ Certifies to collect \$_____ in administrative refunds for the 2020 tax year.
- ☐ Does not wish to collect any administrative refunds for the 2020 tax year
