LEWIS COUNTY NOXIOUS WEED CONTROL BOARD**

Name Katherine Humphrey
Address 345 Ceres Hill Rd.

1. Are you engaged in the primary production of agricultural products?

Yes X No

If Yes, please give a brief description of your agricultural production activity.

I currently farm 53 acres of hazelnuts.
We also grow hay and pasture hobby flocks of
sheep and cattle. Previously we have produced
seed crops and other row crops.

2. I was raised here on a farm. I lived in Pullman
for 7 years where I earned a B.S. Crop Science with
a minor in Ag Econ. In 2002 we bought the farm
where I live. Weed control is a major cost of
production giving me a economic interest. I am also
aware of the detrimental aspects of invasive species
on our natural environment. I can help.

2. Please attach a brief description of your background and why you are interested in seeking appointment to the Lewis County Noxious Weed Control Board.
