Effective Oct. 1, 2018, the U.S. government imposed tariffs on technology-related goods. Technology manufacturers are evaluating the impact on their cost and are providing us with frequent cost updates. For this reason, quote and ecommerce product pricing is subject to change as costs are updated. If you have any questions regarding the impact of the tariff on your pricing, please reach out to your sales team.

SOFTWARE AND CLOUD SERVICES PURCHASES: If your purchase contains any software or cloud computing offerings ("Software and Cloud Offerings"), each offering will be subject to the applicable supplier's end user license and use terms ("Supplier Terms") made available by the supplier or which can be found at the "terms-and-policies" link below.
