Dear Lewis County Commissioners:

I understand that there is a vacancy on the Planning Commission. I am interested in serving on that board. I am an organized individual that would like to learn and contribute to the value this position holds.

As a retired Data Base manager, and an Engineering Technician during my work years, I have the experience, understanding and education that will be a benefit to the Planning Commission.

I believe in being involved with our communities and just having a say in what directly impacts the citizens of Lewis County, regardless of it being a minimal aspect or something large. Its all about the good for the majority.

Thank you for considering my application. If you need additional information or would like to talk to me, I can be reached at 360.508.3019

Sincerely,

Margaret K (Kathy) Chastain
