Josh Metcalf
Lewis County Public Works Director

Mr. Metcalf,

I would like to request that Lewis County consider vacating the Meyers Road which is located off of Larson Road in Silver Creek. The Meyers Road cuts through my property which is located on 200 Larson Road in Silver Creek, WA (Parcel#029085001001). The road is a gravel road leading up to a private timber company, which is gated at their property line. Over the years the portion between Larson Road and the timber company's boundary has become a place where people are dumping illegally. Meyers Road has no residents living on it.

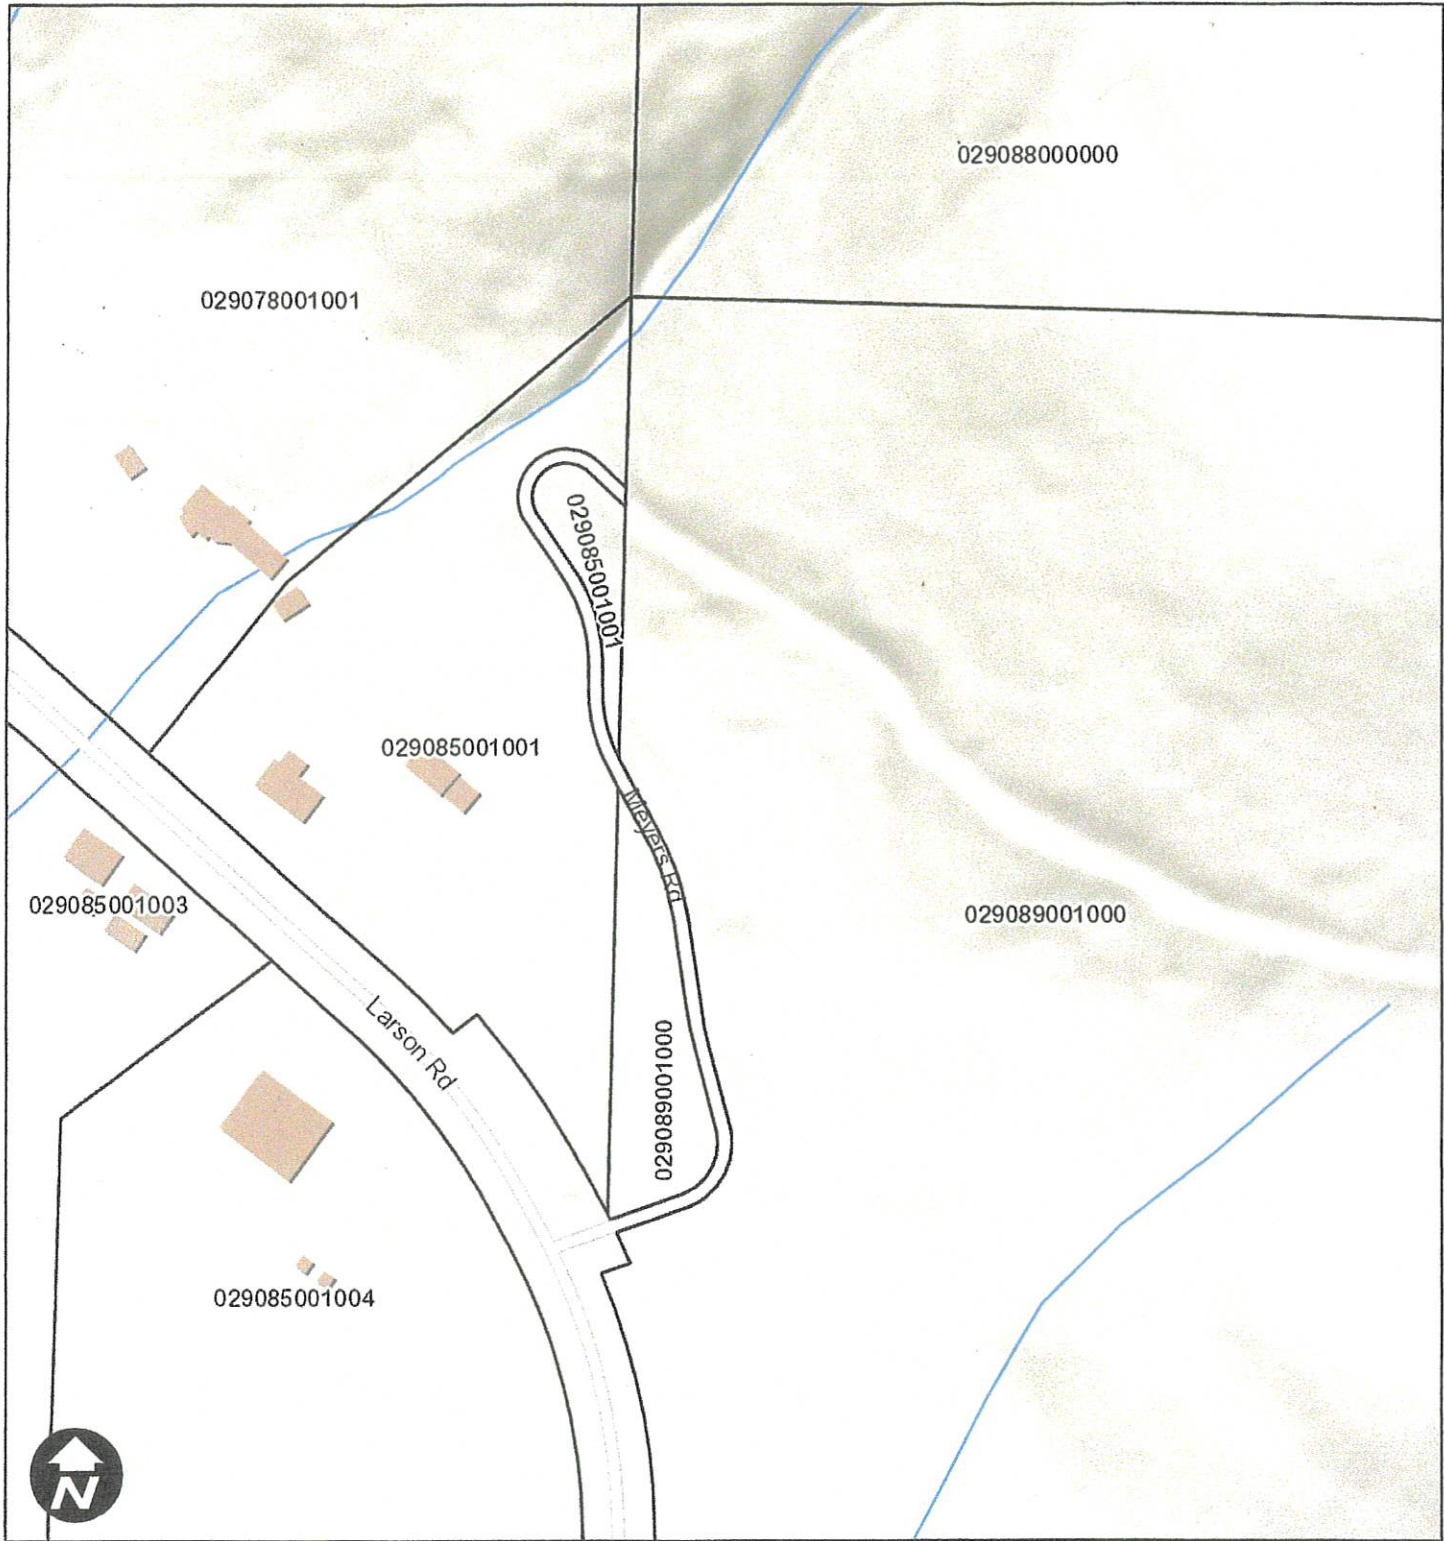

Thank you for your consideration on this matter.

Sincerely,

RE: Meyers Road Vacation Request

Mr. Fife,

After internal review, Rayonier has determined that we are agreeable to the vacation of the county road known as Meyers Road. We have worked with the adjacent landowner(s) to ensure continued access to our properties in the affected area and are satisfied that having Meyers Road vacated will not negatively impact our access going forward.

Rayonier owns property serviced by Meyers Road in Sections 4 and 5, Township 12 North, Range 03 East. We have obtained an easement from Mr. Anderson across Meyers Road on May 10, 2022 under Recording Number 3576623. Our access needs have been addressed.

If further information is needed from us in regards to this vacation request, you may contact me at (360) 538-4569 or larissa.hall@rayonier.com.

Thank you,
