Good afternoon Rocky,

Thanks for reaching out. I would love to continue my term with Lewis County SWAC if you'll have me.

Let me know if there is anything else you need from me aside from this and I'll gladly provide it so I can continue my involvement.

Have a lovely day!

Cheers,

Subject: SWAC term Expiration

Good morning Sam,

As you know on June 1, 2023, your term on Lewis County Solid Waste Advisory Committee will expire. We truly appreciate all of your input and support within this group. I feel that as a group we have achieved many goals for the residents in Lewis County. As you know we cannot continue to complete this good work without a strong team. Respectfully, I invite you to extend your support for an additional 2-year term. If you would like to accept, simply reply with an email stating intent to continue your service and extend your SWAC appointment for an additional 2-year term. This can also be sent in a formal letter or memo.

If you wish to end your SWAC appointment, you most certainly may do that. Simply reply with a notice of resignation for the end date of your term.

Again, thank you for your support and generosity to the residents of Lewis County.

Respectfully,

Rocky Lyon
