FPHS staff from DOH and the Washington State Association of Local Public Health Officials (WSALPHO) will coordinate and communicate together to build and assure common systemwide approaches per FPHS Steering Committee direction and the FPHS framework intent.

- For LHJ questions about the use of funds:
 - Chris Goodwin, FPHS Policy Advisor, WSALPHO – cgoodwin@wsac.org, 564-200-3166
 - Brianna Steere, FPHS Policy Advisor, WSALPHO – bsteere@wsac.org, 564-200-3171

The intent of FPHS funding is outlined in RCW 43.70.512.

Foundational Public Health Services Definitions and related information can be found here: www.doh.wa.gov/fphs.

Stable funding and an iterative decision-making process – The FPHS Steering Committee's roles and responsibilities are outlined in the FPHS Committee & Workgroup Charter. The Steering Committee is the decision making body for FPHS and operates under a consensus-based decision making model, outlined here. The Steering Committee use

an iterative approach to decision making meaning additional tasks and/or funds may be added to a local health jurisdiction's (LHJ) FPHS Statement of Work (SOW) as funding decisions are made.

Spending of FPHS funds – FPHS funds do not require pre-approval or pre-authorization to spend. FPHS funds are to assure FPHS services are available in each jurisdiction based on the FPHS Definitions (link) and as reflected in the SOW. Assurance includes providing FPHS as part of your jurisdiction's program operations, contracting with another governmental public health system partner to provide the service, or receiving the service through a new service delivery model such as cross-jurisdictional sharing or regional staff. **FPHS funds are eligible starting at the beginning of each state fiscal year (July 1) regardless of when funds are received by the LHJ, even if the expenditure occurred before the LHJ's contract was signed.**

These funds are not intended for fee-based services such as select environmental public health services. As state funding for FPHS increases, other funds sources (local revenue, grants, federal block grants) should be directed to the implementation of additional important services and local/state priorities as determined by each agency/jurisdiction.

Annual Allocations – The legislature appropriates FPHS funding on an annual basis and the FPHS Steering Committee allocates funds annually through the FPHS Concurrence Process for the State Fiscal Year (SFY): July - June.

The Legislature appropriates FPHS funding amounts for each fiscal year of the biennium. This means that funds must be spent within that fiscal year and cannot be carried forward. Any funds not spent by June 30th each year must be returned to the State Treasury. Funding allocations reset and begin again at the start of the next fiscal year (July 1).

This Statement of Work is for the period of July 1, 2023-June 30, 2024 and may be included in multiple Consolidated Contracts (ConCons) which are based on the calendar year and renewed every three years.

Disbursement of FPHS funds to LHJs – Unlike other ConCon grants, FPHS bill-back to DOH is NOT required. Half of the annual FPHS funds allocated by the Steering Committee to each LHJ are disbursed each July and January. The July payments to LHJs and access to FPHS allocation for all other parts of the governmental public health system occur upon completion of the FPHS Annual Assessment.

Deliverables – FPHS funds are to be used to assure FPHS services statewide. The FPHS accountability process measures how funds are spent, along with changes in system capacity through the FPHS Annual Assessment, system performance indicators, and other data. DOH, SBOH and local health jurisdictions have agreed to complete:

1. Reporting of spending and spending projections. Process timelines and reporting template are provided by the FPHS Steering Committee via FPHS Support Staff.
2. FPHS Annual Assessment is due each July to report on the previous state fiscal year. Process and reporting template are provided by the FPHS Steering Committee via FPHS Support Staff. System results are published in the annual FPHS Investment Report available at www.doh.wa.gov/fphs.

If satisfactory corrective action does not take place within 60 days, up to 5% of funds will be withheld from each subsequent monthly payment until the appropriate corrective action is completed. If satisfactory corrective action is completed after the 60-day window, the initial 10% of funds withheld will not be provided as reimbursement to the Subrecipient as penalty. The subsequent monthly withholdings (of up to 5% per month) will be reimbursed to the Subrecipient upon satisfactory completion of the corrective action. The Subrecipient may request reconsideration by submitting a letter to Washington Department of Health SNAP-Education, PO Box 47886, Olympia, WA 98504-7886, or in writing via email to snap-ed@doh.wa.gov.

All invoices must be approved by DOH prior to payment; approval will not be unreasonably withheld. DOH will authorize payment only upon satisfactory and on-time completion of acceptance deliverables/outcomes and for allowable costs as outlined in the SNAP-Ed federal guidance, statement of work, state plan, and/or budget. DOH will return all incorrect or incomplete invoices and will not pay for services that occur outside the period of performance or that are deemed unallowable costs.

Additional Details Regarding Deliverables

Required deliverables for SNAP-Ed reporting will depend on approved SNAP-Ed plan activities for each Subrecipient, e.g. if direct education is not an approved plan activity for a Subrecipient, submission of pre/post surveys is not a required deliverable for that Subrecipient. To attend required trainings during fiscal year, the Subrecipient must use the travel funds within their current allotted budget to send the minimum number of one (1) staff person to the required training. The Subrecipient may request additional travel funds from DOH for required training(s) if necessary and if funds are available.

Monitoring Expectations

The Subrecipient's premises and records will be made available upon request to DOH, DSHS, and USDA staff for the purposes of observing project activities and reviewing for project and fiscal compliance. All non-capital equipment, capital equipment, reusable educational materials and supplies, and any non-disposable items purchased using SNAP-Ed funds should be tracked in an inventory list and available for review upon request. Based on fiscal and project monitoring results or findings, additional monitoring during the fiscal year may be required at the discretion of the DOH SNAP-Ed program, DOH fiscal analyst, or DOH fiscal monitoring unit. Completed project and fiscal monitoring reports with suggestions, observations, comments, feedback, findings, and/or corrective action will be kept on file at DOH and shared with Subrecipients regularly and by request.

Staff Requirements

Upon request by DOH, the Subrecipient must demonstrate that SNAP-Ed staff meet requirements appropriate to their positions including but not limited to: background checks, food handlers' permits, qualifications, and training required by DOH.

Project Coordinator Requirements

The Subrecipient must maintain a SNAP-Ed project coordinator. The project coordinator is the main contact between Department of Health SNAP-Ed team and the Subrecipient. DOH SNAP-Ed expectations for the project coordinator responsibilities include:

- Ensure all contract deliverables are met.
- Coordinate the planning, implementation, evaluation, and reporting of all parts of the approved project plan.
- Comply with and remain knowledgeable about all WA SNAP-Ed and DOH SNAP-Ed policies and procedures.
- Comply with and remain knowledgeable about the National SNAP-Ed Guidance.
- Ensure staff and any sub-Subrecipients funded through this contract stay informed of current and new SNAP-Ed policies, and are held accountable to policies when needed.
- Ensure staff and any sub-Subrecipients meet requirements appropriate to their positions, including but not limited to: background checks, food handlers' permits, and trainings required by WA SNAP-Ed and DOH.
- Attend, or designate and send qualified staff member as proxy to, required DOH and State SNAP-Ed meetings and trainings.
- Monitor or maintain knowledge of project budget status, including estimated spend out and total dollars spent to date.
- Submit plan and budget amendments for approval as outlined in the current year's policy and procedures.
- Coordinate the on-time completion of all data entry and reporting.
- Ensure photo and media release forms are obtained for persons featured in SNAP-Ed programming photographs or videos.

Communication Requirements

The Subrecipient must maintain communication with DOH SNAP-Ed. Communication required between DOH SNAP-Ed and the Subrecipient will not be unreasonable or excessive. DOH SNAP-Ed expectations for communication include:

- Submit updates to DOH following any change in contact information for the project coordinator, fiscal agent, contract signatory, or any SNAP-Ed funded staff within 10 business days of the change.
- Be available for regular and intermittent meetings, both in person and phone, with DOH SNAP-Ed as agreed upon or as needed.
- Respond to all DOH and SNAP-Ed Statewide initiative requests within the timeline requested.
- Maintain or obtain an internet connection for communication with DOH, for access to DOH SharePoint webpages, to view updates and messages from Washington SNAP-Ed through the WA SNAP-Ed Providers website, and for reliable reporting of SNAP-Ed activities. If reliable internet connection cannot be secured, the Subrecipient and DOH SNAP-Ed will agree on a plan for necessary communication, data entry, and reporting.
- Obtain a Secure Access Washington (SAW) account to access DOH SNAP-Ed SharePoint webpages.

SNAP-Ed Assurances:

The following assurances must be followed (see program Guidance <https://snaped.fns.usda.gov/program-administration/guidance-and-templates>)

- The Subrecipient is fiscally responsible for activities funded with Supplemental Nutrition Assistance Program Education funds and is liable for repayment of unallowable costs.
- Programming is provided to approved SNAP-Ed eligible audiences.
- Only expanded or additional coverage of those activities funded under the Expanded Food and Nutrition Education Program (EFNEP) may be claimed under the SNAP-Ed grant. Approved activities are those designed to expand the State's current EFNEP coverage in order to serve additional SNAP-Ed targeted individuals. In no case may activities funded under the EFNEP grant be included in the budget for SNAP-Ed.
- Contracts are procured through competitive bid procedures governed by State procurement regulations.
- Program activities are conducted in compliance with all applicable Federal laws, rules, and regulations including Civil Rights and OMB regulations governing cost issues.
- Program activities do not supplant existing nutrition education and obesity prevention programs, and where operating in conjunction with existing programs, enhance as well as supplement them. This applies to all activities and costs under the Federal budget.
- Program activities are reasonable and necessary to accomplish SNAP-Ed objectives and goals.
- All materials developed with SNAP-Ed funds include the appropriate USDA non-discrimination statement and credit SNAP as a funding source in standard font that is easily readable.

SNAP-Ed Statewide Initiatives

Subrecipients are expected to communicate with, respond to, and comply with requests, guidance, requirements, and/or on-site visits from all contracted SNAP-Ed statewide initiative entities.

Any SNAP-Ed curriculum modifications should be developed and executed based on the most current Guidance for Curriculum Modification, found under “[Guidance and Process](#)” on WA SNAP-Ed Providers website. Subrecipients must consult DOH SNAP-Ed as directed.

After notification to the DOH SNAP-Ed implementing agency, the Subrecipient may adjust or deny requests, requirements, and/or site visits from any contracted SNAP-Ed statewide initiative entities if said request, requirement, and/or site visit is deemed unreasonable, burdensome, unnecessarily costly, or inequitable after appropriate consideration and deliberation between the Subrecipient, DOH SNAP-Ed, and the contracted SNAP-Ed statewide initiative entity/entities; and, when necessary, DSHS. After appropriate consideration and deliberation, the resulting decision about whether or not the Subrecipient must comply or can adjust or deny a specific will be provided in writing to the Subrecipient from DOH SNAP-Ed and/or DSHS.

Health and Safety

Subrecipients are not required to work under conditions that could endanger their health, safety, or well-being. Additionally, Subrecipients should ensure they are not putting any SNAP-Ed audience or community members in situations that could endanger their health, safety, or well-being. Participation in SNAP-Ed by the SNAP-Ed audience is voluntary. If an activity is deemed unsafe, Subrecipients must adapt activities as needed to allowable and safe alternatives. For a given situation, all Subrecipients and SNAP-Ed activities should follow current health and safety laws, regulation and guidance from the designated authorities in the applicable city/town, county, state, and/or the related federal authority, e.g. CDC, USDA. If Subrecipient is unable to adapt activities as needed to safe, allowable alternatives within their allocation, funding for the current fiscal year may change after sufficient and acceptable technical assistance between Subrecipient and DOH SNAP-Ed and after prior written notification to the Subrecipient. Any change in annual funding due to inability to adapt project activities as needed to safe, allowable alternatives will not be a permanent change in annual funding, unless accompanied by actions outlined under the ‘Contract Noncompliance and Corrective Action’ section.

Audits

The Subrecipient must make State financial and program audits or reviews conducted by other entities available to the DOH, DSHS, USDA, or its designee.

Indirect Rate/Allocation Plan

All indirect rate/allocation plans must be submitted and preapproved by the DOH grants office and the DOH SNAP-Ed program. The Subrecipient is responsible for ensuring that indirect costs included in the Subrecipient’s SNAP-Ed plan and budget are supported by an indirect rate and/or cost allocation plan approved by the appropriate agency. The Subrecipient cannot bill indirect costs that are determined to be unacceptable and will be disallowed.

Annual Civil Rights Training Requirement (see USDA Instruction Number 113-1 Chapter XI <http://www.fns.usda.gov/sites/default/files/113-1.pdf> “Training is required so that people involved in all levels of administration of programs that receive Federal financial assistance understand civil rights related laws, regulations, procedures, and directives. Local agencies are responsible for training their sub recipients, including ‘frontline staff.’ ‘Frontline staff’ who interact with program applicants or participants, and those persons who supervise ‘frontline staff’ must be provided civil rights training an annual basis.”

Records Maintenance - Record Retention and Management - State Agency and All Subrecipients 7CFR 272.2

DOH SNAP-Ed regulations require that all records related to the SNAP-Ed program be retained for six (6) years from fiscal closure. This requirement applies to fiscal documentation and procurement records, contract related documents and emails, progress reports, monitoring reports, and SNAP-Ed client information (pre/post surveys, demographic cards, etc.). Supporting documentation may be kept at the Subrecipient level, but shall be available for review within six years from the date of the last quarterly claim submittal. Any costs that cannot be substantiated by source documents will be disallowed as charges to SNAP-Ed.

Travel

The Subrecipient is expected to comply with the Office of Financial Management’s Travel Management Requirement and Restrictions as found in policy 10.10 (<http://www.ofm.wa.gov/policy/10.htm>), with the travel requirements found in the current year’s SNAP-Ed federal guidance, and with any travel related DOH SNAP-Ed policy and procedures. If the Subrecipient organization’s travel related policy and procedures are in conflict with any of the aforementioned travel related federal or state policies and procedures, the Subrecipient organization will follow the stricter of the travel related policy and procedures unless otherwise approved and allowable by DOH or higher authority.

Amendments

Subrecipients should check the current year's federal SNAP-Ed guidance, the current year's DOH SNAP-Ed budget amendment guidance, and/or with a DOH SNAP-Ed program consultant to know what changes they can make on their own and what changes require an amendment and pre-approval in writing. Notify DOH staff prior to implementing amendments that significantly change the scope or direction of the approved project plan, including creating new or completely ending interventions, or adding different recruitment or delivery sites for reaching SNAP eligible population. Following the current year's guidance when required, subrecipients must submit a written plan amendment or written budget amendment request to DOH, and receive written approval from DOH, prior to making any changes within their project or budget and prior to making any purchases included within the amendment. Any requests needing USDA approval must be submitted to DOH no later than April 1st of each fiscal year, or no later than date specified by USDA, DSHS, or DOH. Following the current year's guidance when required, if Subrecipients submit plan or budget no cost amendments that do not require DSHS or USDA approval, DOH can review those and make approvals on a case by case basis during the federal fiscal year following the current year's guidance when required. All cost amendments that do not require DSHS or USDA approval should be submitted to DOH no later than July 16th of each fiscal year.

Overtime

Staff overtime is not billable in the DOH SNAP-Ed program unless it has been reviewed by the DOH SNAP-Ed program in advance and approved in writing.

Special Funding Requirements

Payment for deliverables as specified herein is dependent on receipt of funding from the USDA funding sources. In the event funding is not received, DOH is under no obligation to make payments for the deliverables as specified. If funding is reduced or limited in any way after the effective date of this contract and prior to normal completion, DOH may terminate task(s), remove funds, or reallocate funds at DOH's discretion under new funding limitations and conditions. DOH will make payments only upon the receipt of the funding. DOH will notify the Subrecipient within 10 working days upon notice by the funding source of funding availability.

Special Billing Requirements

1. All invoices, billing, and reimbursements must be in compliance with all applicable Federal laws, rules, regulations including the current year SNAP-Ed Guidance and OMB circulars governing cost issues.
2. Total costs billed will not exceed the USDA-approved budget amount listed in the box below.
 - Bills must be for only SNAP-Ed specific activities, using a DOH A19-1A Invoice voucher.
 - A SNAP-Ed specific A19-1A must be submitted to the subrecipient's designated DOH SNAP-Ed staff member within 30 days of the last day of the month for which the work is being billed, OR
 - A Subrecipient may request pre-approval to bill every 2 months instead, in which case, that Subrecipient is required to adhere to the billing due dates provided by DOH.
3. The SNAP-Ed program will deny payment for any costs not submitted by the due date without prior approval. If for ANY reason a Subrecipient is unable to submit the SNAP-Ed A-19-1A on the due date, the Subrecipient is required to submit a request for an exception to the DOH no later than 7 days prior to due date to the DOH SNAP-Ed program. The SNAP-Ed program reserves the right and responsibility to either approve or deny the request for an exception and will reply to the request.
4. Supporting documentation for each month must be submitted with each SNAP-Ed A19-1A.
 - At the very least this means a copy of a Subrecipient's financial expanded/detailed general ledger level report.
 - Additionally, all receipts, timecards and other supporting documentation, as noted by USDA, must be available upon request.
5. If a Subrecipient meets one of the criteria below, they will need to submit all SNAP-Ed backup documentation with each bill and this requirement will continue until further notice by DOH.
 - All new SNAP-Ed Subrecipients within their 1st fiscal year.
 - Subrecipients with current fiscal findings.

- e. Payments are limited to the amounts allocated for the budget period for each budget category.
- f. Billings are based on actual costs for completed activities. Advance payments are not allowed. Back up documentation must be retained by the LHJ and available for inspection by the Department or other appropriate authorities.
- g. Payments will be made only for WIC approved expenditures. Refer to the Washington State WIC Nutrition Program Policy and Procedure Manual Volume 2, Chapter 4 – Allowable Costs and 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
- h. If billing for indirect costs, a Cost Allocation Plan or Federal Indirect Cost Agreement must be submitted prior to payment.

Special Instructions:

The LHJ shall:

1. Maintain complete, accurate, and current accounting of all local, state, and federal program funds received and expended.
2. Provide, as necessary, a single audit in accordance with the provisions of 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. This circular requires all recipients and sub-recipients of federal funds to have a single audit performed should they spend \$750,000 or more of federal grants or awards from all sources. Contractors spending less than \$750,000 in federal grants or awards may also be subject to audit.
3. Use Breastfeeding Peer Counseling (BFPC) Program funds only to support the peer counseling program. Once the program is established and peer counselors are trained, the majority of the salary costs must be paid to peer counselors to provide direct services to WIC participants. For a list of allowable costs see Volume 2, Chapter 4 – Allowable Costs. The priority use of BFPC funds is to hire and train peer counselors to provide breastfeeding peer counseling services to WIC participants.
