We are asking for a deposit of \$0.00 to place this order today.

You will be invoiced for the balance of \$173,383.39 when the final products ship. Payment is due according to our terms of Net 30 days from date of invoice unless other special arrangements have been made.

In the event of any problems at the time of installation, you may reserve the final 10% of the balance until resolution. After resolution, the final balance will be due within 1 week of completion of the work.
