MEMORANDUM

Date: December 5, 2023

To: Lewis County Board of County Commissioners

From: Geoff Soderquist, PE – County Engineer 

Subject: 2024 ER&R Rental Rates

The ER&R fund is located under the Director of Public Works position in the approved Lewis County Public Works Organizational Chart. Therefore, by WAC 136-600 the County Engineer must review and certify to the legislative authority that the rates are an appropriate use of County Road funds.

The resolution adopting the rates must also include a reference that the County Engineer has reviewed and certifies that the rates are an appropriate use of County Road funds.

Please consider this memorandum as my certification that I, the County Engineer, did review the 2024 ER&R rates and the rates are an appropriate use of County Road funds.
