1. Maintain complete, accurate, and current accounting of all local, state, and federal program funds received and expended.

2. Provide, as necessary, a single audit in accordance with the provisions of 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. This circular requires all recipients and sub-recipients of federal funds to have a single audit performed should they spend \$750,000 or more of federal grants or awards from all sources. Contractors spending less than \$750,000 in federal grants or awards may also be subject to audit.
3. Use Breastfeeding Peer Counseling (BFPC) Program funds only to support the peer counseling program. Once the program is established and peer counselors are trained, the majority of the salary costs must be paid to peer counselors to provide direct services to WIC participants. For a list of allowable costs see Volume 2, Chapter 4 – Allowable Costs. The priority use of BFPC funds is to hire and train peer counselors to provide breastfeeding peer counseling services to WIC participants.
