

ADDENDUM TO GRANT AGREEMENT BETWEEN LEWIS COUNTY AND THE CITY OF CENTRALIA

This Addendum amends a Grant Agreement made and entered into by Lewis County (County) and the City of Centralia as to the conditions for acceptance of monies by the City of Centralia from the “Distressed Counties Fund,” pursuant to RCW 82.14.370, for the city’s “Alder Street Improvements” project.

I. PURPOSE

RCW 82.14.370 authorizes a sales and use tax to finance public facilities serving economic development purposes in rural counties. Funds from this tax are called “.09 Funds.” The City of Centralia previously received a .09 grant, and it would like to extend its project timeline. The purpose of this addendum is to extend the reimbursement period for the project, otherwise leaving all of the terms and conditions of the grant the same.

II. AGREED FACTS

The parties adopt the following agreed statement of facts. The County awarded the City of Centralia .09 funds for “Alder Street Improvements” via Resolution 23-186, which was passed by the Board of County Commissioners (BOCC) on June 6, 2023. The project serves economic development purposes. The project is listed on the Comprehensive Economic Development Strategy (CEDS), which is a list of projects maintained by the Lewis County Economic Alliance, formerly known as the Lewis County Economic Development Council (EDC), as per RCW 82.14.370. The original agreement stated the project “shall be funded or partially funded in the amount of a grant for \$1,600,093.85, with up to \$800,000 to be paid in 2023 and the remaining balance to be paid as funds come available in 2024.” The City of Centralia wishes to extend its reimbursement timeline.

III. MODIFICATION TO PRIOR GRANT AGREEMENT

Each party agrees that the reimbursement timeline for the “Alder Street Improvements” project approved via Resolution 23-186 is extended to December 31, 2025.

All other terms and conditions of the grant remain the same.
