

**THIRTY-FIRST SUPPLEMENT TO PERSONAL SERVICES AGREEMENT
BETWEEN LEWIS COUNTY, ACTING AS FISCAL AGENT
FOR THE CHEHALIS RIVER BASIN FLOOD AUTHORITY
AND WEST CONSULTANTS, INC.**

THIS THIRTY-FIRST SUPPLEMENT to PERSONAL SERVICES AGREEMENT (THIRTY-FIRST SUPPLEMENTAL AGREEMENT) is made and entered into by and between LEWIS COUNTY, WASHINGTON, herein referred to as "County", acting as the fiscal agent for the Chehalis River Basin Flood Authority ("Flood Authority"), and WEST Consultants, Inc., 11400 SE 8th Street, Suite 410, Bellevue, WA 98004 herein referred to as "Contractor", together referred to as "Parties."

IT IS THE PURPOSE OF THIS AGREEMENT to amend the Parties' Agreement for consulting and coordination services for designing, implementing, and maintaining an Early Flood Warning System, including a gage/sensor network study, and installation, testing and calibration of river, precipitation, temperature, webcams, website, inundation maps, etc., as executed on October 19, 2009, and subsequently amended through Supplemental Agreements (hereinafter referred to as the "Existing Agreement").

CONTRACTOR acknowledges and by signing agrees to the amendments to the Existing Agreement set forth in this Supplemental Agreement, agrees that they have been mutually negotiated and, further, agrees that all of the terms of the Existing Agreement not amended nor modified by this Supplemental Agreement are and shall remain in full effect.

THEREFORE, IT IS MUTUALLY AGREED THAT this Thirty-First Supplemental Agreement amends the Existing Agreement as set forth below:

Section 1. Statement of Work

CONTRACTOR shall furnish the necessary personnel, equipment, material and/or services and otherwise do all things necessary for, or incidental to, the performance of the work set forth in the Thirty-First Supplemental Scope of Work and Supplemental Compensation, attached hereto as Attachment "A" covering Operation and Maintenance Activities and Attachment "B" covering State Capital Budget Activities and fully incorporated into the Existing Agreement.

Section 2. Period of Performance

Subject to its other provisions, the period of performance of this Agreement shall commence on the date of signing by both Parties and be completed as agreed and shown in the attached Thirty-First Supplemental Scope of Work, Attachment "A" and Attachment "B," but may be modified or extended by mutual agreement in accordance with the amendment provisions of the Existing Agreement.

Section 3. Payment

Compensation for the work provided in accordance with this Thirty-First Supplemental Agreement shall be as set forth in Attachment "A" covering Operation and Maintenance Activities and Attachment B covering State Capital Budget Activities. Compensation for this Thirty-First Supplemental Agreement shall not exceed one hundred forty thousand and eight hundred twenty one dollars (**\$140,821**) without written prior approval of the COUNTY and authorization by the Flood Authority.

[NOTE: Authorization for this Thirty-First Supplemental Agreement was provided by the Chehalis Basin Board at their May 7, 2026 meeting (see [here](#)).]

Section 4. Future Non-Allocation of Funds

If sufficient funds are not appropriated or allocated for payment under this contract for any future fiscal period, the County, acting as the lead fiscal agent for the Flood Authority, will not be obligated to make payments for services or expenses incurred after December 31, 2026. No penalty or expense shall accrue to the County in the event this provision applies.

This Thirty-First Supplemental Agreement and statement of work, period of performance and compensation constitutes a supplement to the Parties' Existing Agreement and supplements and amends the scope of work, period of performance and compensation, with such additional provisions agreed upon by the parties for good and sufficient consideration, the receipt of which is hereby acknowledged.

IN WITNESS WHEREOF, the parties have executed this Thirty-First Supplemental Agreement this _____ day of _____ 2026.

WEST Consultants, Inc.

CALENDAR YEAR 2026 (OPERATIONS AND MAINTENANCE ACTIVITIES)

Who: David Curtis, Andreas Kammereck, Jeffery Budnick, and other WEST staff (as needed).

Time and Expense: \$115,821.

Period of Performance: January 1, 2026 through December 31, 2026.

Tasks: Tasks for the period of performance under this Thirty-First Supplemental Agreement shall be as follows:

- 1. Gage/Webcam Maintenance:** Visit gage and webcam sites approximately four times per year with unscheduled trips for unforeseen circumstances. Maintain all components of the gages including wiring, batteries, sensors, data loggers, antennas, telemetry, etc. Swap out with spare components as needed. Prior to each rainy season, the calibration of each rain gage will be checked with a Hydrological Services Field Calibration Device.
- 2. Operational/Administrative Support:** Provide on-going support for website monitoring and updates for both routine operations and during potential flood events, including damage to gage systems, evenly spread during the period of performance.
- 3. GIS Support:** Provide on-going support, training for FWS GIS elements (ArcGIS gage alerts dashboard, ArcGIS Survey 123 alerts sign-up, Data.Wa.Gov "handshake," etc.).
- 4. Spare Parts Inventory:** Ensure sufficient parts inventory for period of performance.
- 5. Webcam Cell Fees:** Fee for three cell data plans for three webcams.
- 6. Webcam Subscription Fees:** Fee for four webcam subscriptions with AEM.
- 7. Website:** Secure AEM annual subscription (291 total sensors or more in and near Chehalis River Basin), paid once agreement is commenced.

Compensation: Compensation for the period of performance under this Thirty-First Supplemental Agreement shall be as follows:

Activity:	Cost:	Details:
1. Gage/Webcam Maintenance (23 gages, 3 webcams).	\$76,336	Provide routine gage maintenance evenly-spread during period of performance.

2. Operational/Administrative Support.		Provide on-going support for website monitoring and updates for routine operations and during potential flood events, evenly spread during period of performance.
3. GIS Support.	\$24,958	Provide on-going support, training for FWS GIS elements (ArcGIS gage alerts dashboard, ArcGIS Survey 123 alerts sign-up, Data.Wa.Gov "handshake," etc.).
4. Spare Parts Inventory.	\$3,749	Ensure sufficient parts inventory for period of performance.
5. Webcam Cell Fees.	\$1,553	Fee for three cell data plans for three webcams.
6. Webcam Subscription Fees	\$1,980	Fee for four webcam subscriptions w/ AEM.
7. Website.	\$7,245	Secure AEM annual subscription (291 total sensors or more in and near Chehalis River Basin), paid once agreement is commenced.
