Hello!

A New Flood Alert Warning System Email Alert Request Survey has been submitted.

Name: [REDACTED]

Email Address: [REDACTED]

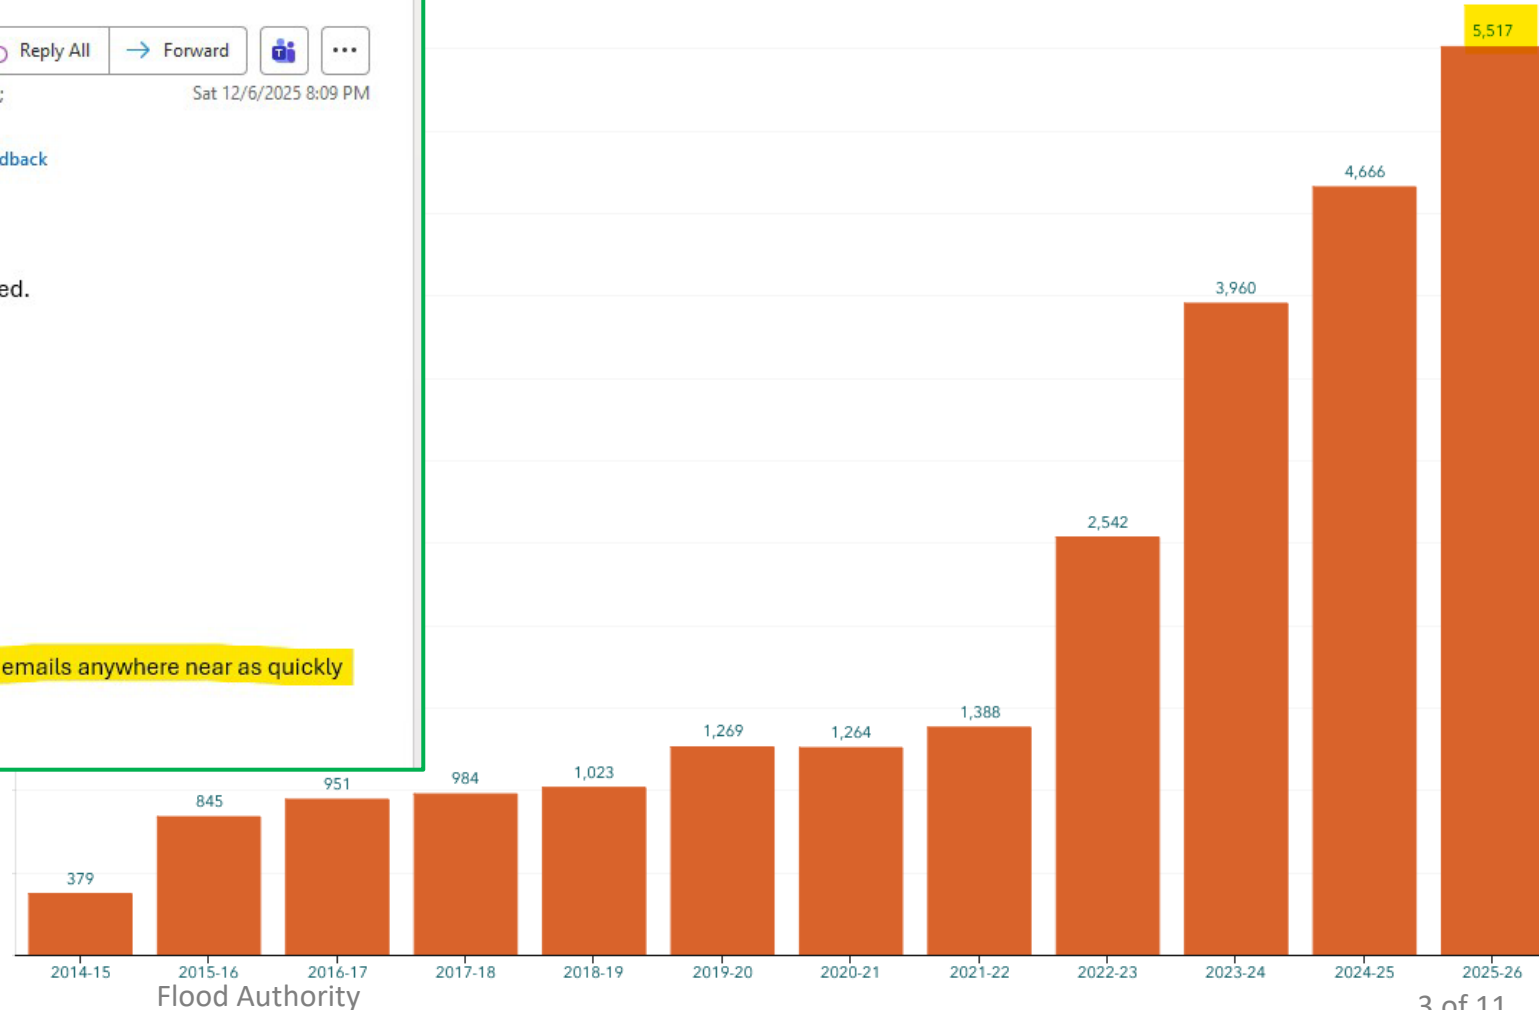

Gage(s): #3

How did you learn about us? Search Engine

If other:

Share your thoughts: Text alerts for people in the area would be huge. I won't see emails anywhere near as quickly

Thank you!

1. Request for Project Funding Approval

“Upgrade Flood Warning System with **Texting** and **Spanish**”

BENEFITS

- ✓ Email alert program continues to grow. This trend will be enhanced with **Texting** and **Spanish**.
- ✓ If funded, upgrades will be operational by 2026/27 flood season.
- ✓ Hispanic community is a significant community in the Basin.

QUESTION

Does the Chehalis Basin Board support providing \$25,000 in funding to upgrade the Flood Warning System with **Texting** and **Spanish**?

2. Update on 2027-29 Local Project Recruitment

GOAL:

***Help** local communities identify, develop, implement local flood hazard reduction solutions.*
