Subject: Lease for tower site

As we discussed in April of this year our company purchased on March 18, 2025 the forest parcel at 0 Short Road in Morton, Washington where Lewis County has a leased site for your communications tower. As part of our purchase the seller assigned the site lease to us.

By the terms of the lease you have the right to renew the lease every five years to 2035. I am attaching a spreadsheet that shows the lease payments due to us for Lewis County and collocators on the tower at the site per the terms of the lease. (If there are more collocators added you are obligated to inform us so that we can adjust the lease payment.)

The September 1, 2025 payment of \$6033.79 is now past due. Please provide payment as soon as possible.

Sincerely,

Phil Blake
