Dear Mr. Anderson,

On behalf of the County Road Administration Board, I am pleased to inform you that your application for the **Dieckman Rd MP 0.005 - 0.231 ADA Upgrades Project** has been selected for a grant award of **\$110,000** through the Local Road Program.

The Board approved the project priority ranking array at their July 30, 2026, board meeting and your project fits within the anticipated appropriation for the 2027-2029 biennium.

We will be sending out contracts for signature soon. In the meantime, please remember **this project is required to be included in your Transportation Improvement Plan (TIP) for funding to be disbursed** and we encourage you to move forward on incorporating it as soon as possible, if you have not already done so.

Once again, congratulations on this well-deserved award. We look forward to seeing the positive impact your local road project will have in your community.

Best,
