The Fiscal Year (FY) 2022 Omnibus appropriations package, "H.R. 2471, Consolidated Appropriations Act, 2022", signed by the President on March 15, 2022, included a provision to increase the federal cost share to not less than 90% for all emergency or major disasters with a declaration occurring or an incident period beginning between January 1, 2020, and December 31, 2021.

Please note the required conditions on the attached Project Worksheet (PW) that have been highlighted. In addition, please note the established mandatory work completion date.
