

Memorandum of Understanding between Lewis County Public Works and Lewis County Fire District #3

This agreement between the Lewis County Public Works Department and the Lewis County Fire District #3 outlines the responsibilities and funding support of the Public Works Department by the Lewis County Fire District #3, Mossyrock.

The Public Works Department will provide labor and material and administrative services necessary to complete the general administration and environmental review services for Lewis County Fire District #3, as necessary to meet the Department of Commerce CDBG General Purpose Grant requirements of Contract #19-62210-028. Lewis County will invoice Fire District #3 for all such services and materials; and these will be billed at a reasonable cost based upon the amount of services and materials provided.

IT IS MUTUALLY AGREED THAT:

Lewis County Fire District #3 will:

- 1) Reimburse the Public Works Department for all services performed, based upon the actual cost of labor, equipment rental, and materials used, associated with the general administration and environmental review services necessary to meet the Department of Commerce CDBG General Purpose Grant requirements of Contract #19-62210-028.

Public Works will:

- 1) Provide general administration and environmental review services as necessary to meet the Department of Commerce CDBG General Purpose Grant requirements of Contract #19-62210-028.

This agreement will remain in effect for the duration of the Department of Commerce CDBG General Purpose Grant contract #19-62210-028 for a Fire and Emergency Facility with Lewis County Fire District #3.
