The Director or designee shall review the written statements and reply in writing to both parties within ten (10) working days. The Director or designee may extend this period if necessary by notifying the parties.

The decision shall not be admissible in any succeeding judicial or quasi-judicial proceeding.

18. INDEPENDENT CAPACITY OF THE CONTRACTOR

The parties intend that an independent contractor relationship will be created by this Grant. The Contractor and its employees or agents performing under this Contract are not employees or agents of the state of Washington or COMMERCE. The Contractor will not hold itself out as or claim to be an officer or employee of COMMERCE or of the state of Washington by reason hereof, nor will the Contractor make any claim of right, privilege or benefit which would accrue to such officer or employee under law. Conduct and control of the work will be solely with the Contractor.

Scope of Work

The Eviction Rent Assistance Program Grant is intended to prevent evictions by paying past due and future rent, targeting limited resources to those with the greatest needs while working to distribute funds equitably.

To meet the Equity Program Goals, the grantee must actively work to partner with By and For¹ service providers in their communities that assist and serve marginalized populations.

Equity Program Goals:

Promote racial equity in who is served, with a focus on equity for groups of people who historically have not been provided equitable access to rent assistance and those who have disproportionately been impacted by the COVID-19 outbreak: Latinx or Hispanic, young adults, Black or African American, American Indian and Alaska Native, Native Hawaiian or other Pacific Islander.

Commerce will provide a list of statewide organizations that we know of and it is incumbent on the grantee to identify By and For service providers that can best support their community members in accessing assistance.

Performance Measurement

Grantees must ensure equitable access to ERAP.

Equitable access means that the race and ethnicity of people entering ERAP are similar to the community demographics. Equitable access is measured by comparing the percent of people in poverty by race and ethnicity to the percent of people entering ERAP by race and ethnicity.

The percentage of head of households provided rent assistance must at least be equal the proportion to the population living in poverty in the county for each of the following groups:

- ✓ People of Color (includes Black or African American, American Indian and Alaska Native, Native Hawaiian or other Pacific Islander, Hispanic/Latinx, Asian, Other/Multi-Racial)
- ✓ Black or African American
- ✓ American Indian and Alaska Native
- ✓ Hispanic/Latinx

Data from all ERAP grantees in the county will be combined for the purpose of performance measurement and performance monitoring.

Spending Limit

At grant start, grantees are authorized to spend 50% of granted funds.

Commerce will release the second 50% of funds after review of performance, or review of sample household files, and (if necessary) implementation of corrective action to meet performance and documentation requirements.

Sub grants to By and For Organizations

¹ By and For Organizations are those that are operated by and for the marginalized community to be served. By and For organizations have a primary mission and history of serving a specific marginalized community, and are culturally based, directed, and substantially controlled/managed by individuals from the specific marginalized population they serve. At the core of their programs, these agencies embody the central cultural values of the community to be served. Marginalized communities may include ethnic and racial minorities; immigrants and refugees; individuals who are lesbian, gay, bisexual, and transgender; individuals with disabilities or who are deaf; and Native Americans.

Grantees must actively work to partner with By and For organizations in their communities that assist and serve marginalized populations.

At least 5% of the grant total must be sub granted to By and For organization/s, to pay the costs associated with program outreach and assistance to marginalized communities. Marginalized communities may include ethnic and racial minorities; immigrants and refugees; individuals who are lesbian, gay, bisexual, and transgender; individuals with disabilities or who are deaf; and Native Americans.

Commerce will provide a list of statewide organizations that we know of and it is incumbent on the grantee to identify By and For service providers that can best support their community members in accessing assistance.

Grantees must make a reasonable effort to sub grant with By and For organizations. If a grantee is not able to execute a sub agreement, they may ask Commerce for an exemption from this requirement.

Office of Homeless Youth Grantees are not subject to this requirement.
