# Remembrance & Commemoration

## September 11, 2020

LEWIS COUNTY BOARD OF COUNTY COMMISSIONERS

**WHEREAS**, it has been 19 years since the unimaginable became reality ... the Twin Towers fell, United Flight 93 crashed, and the Pentagon was damaged; and

**WHEREAS**, Americans united through the emotions of loss, determination and dedication of those who diligently labored to restore order and honor; and

**WHEREAS**, daily in Lewis County, our dedicated volunteer and paid Firefighters, Police Officers, Emergency Medical Technicians, Fire-Police, and other public servants are “on-call” for whatever emergency arises; and

**WHEREAS**, while Lewis County remembers the nearly 3,000 lives lost on September 11, 2001, we also honor those men and women who help keep us safe.

**NOW THEREFORE BE IT RESOLVED** that the Lewis County Board of County Commissioners recognizes Friday, September 11, 2020, as a day of commemoration and remembrance for all those who perform their duties with great resolve, who honorably serve and at times commit themselves to the ultimate sacrifice, and who have given their lives to provide for our safekeeping, preserve our democracy, and protect our freedom.

Done in open session this 31st day of August 2020.
