Re: Bid Results; Vader Raw Water Reservoir Recoating

Dear Josh,

Bids for the above-referenced project were opened and read aloud on August 20, 2020. Five contractors submitted bids for the project. The lowest base bid was submitted by Mericka Group in the amount of \$119,205.24. The second lowest base bid was submitted by Purcell Painting and Coating in the amount of \$185,416.00.

We reviewed the submitted bid documents and found Mericka Group to be the lowest, responsive bidder and therefore recommend the contract be awarded to them for the base bid. Bid additives will not be included. Mandatory and supplemental bidder statements will be requested to determine responsibility.

The information contained herein and in the attached bid tabulation is provided to you for reference and use in your decision to award the Contract. Thank you for the opportunity to assist Lewis County with this process, we look forward to the successful completion of the project.

Sincerely,
