

INTERLOCAL AGREEMENT FOR EMERGENCY MANAGEMENT SERVICES

THIS AGREEMENT is made and entered into by and between LEWIS COUNTY, a political subdivision of the State of Washington, (hereinafter referred to as “County”) and each municipal or quasi-municipal corporation of the State of Washington that executes a County-ratified original counterpart of this agreement, (hereinafter referred to as “City”).

WHEREAS, County has established a Comprehensive Emergency Management Plan pursuant to the provisions of Chapter 38.52 of the Revised Code of Washington; and

WHEREAS, County and City believe it to be in the best interests of their citizens that County and City share and coordinate services in the event of an emergency situation; NOW THEREFORE, IT IS HEREBY AGREED AS FOLLOWS:

1. **PURPOSE.** It is the purpose of this agreement to provide a joint local organization for emergency management; to protect the public peace, health and safety; and to preserve the lives and property of the people of the signatory jurisdictions against the existing and increasing possibility of the occurrence of major emergencies or disasters, whether manmade or from natural causes.

2. **DURATION.** This agreement shall commence January 1, 2021 and end January 1, 2024. PROVIDED, any party may withdraw from this Agreement by giving ninety (90) days’ written notice of intent to withdraw to the other parties. PROVIDED FURTHER, that failure of any party to perform its obligations under this Agreement shall constitute grounds for withdrawal from this Agreement by any party adversely affected by such breach upon giving thirty (30) days’ written notice of intent to withdraw to the other parties. Notices and other communications shall be transmitted in writing by U.S. Mail, postage prepaid, addressed to the parties as follows:

If to Lewis County: Lewis County Emergency Management
351 NW North Street
Chehalis, WA 98532

If to City of Chehalis: City of Chehalis
350 N Market Boulevard
Chehalis, WA 98532

If to any other party: To the address/addressee listed in Section 2 of the most recent counterpart signed by that City.

3. **DEFINITIONS.** As used in this agreement, the following definitions will apply.

A. **“Emergency Management”** or **“Comprehensive Emergency Management”** means the preparation for and the carrying out of all emergency functions, other than functions for which the military forces are primarily responsible, to mitigate, prepare for, respond to and recover from emergency and disasters, and aid victims suffering from injury or damage resulting from disasters caused by all hazards, whether natural, technological, or human caused, and to provide support for search and rescue operations for persons and property in distress.

B. **“Emergency or Disaster”** shall mean an event or set of circumstances which: (a) demands immediate action to preserve public health, protect life, protect public property or to provide relief to any stricken community overtaken by such occurrences or (b) reaches such a dimension or degree of destructiveness as to warrant the governor declaring a state of emergency pursuant to RCW 43.06.010.

C. **“Lewis County Emergency Management Committee”** shall consist of representation from each participating city and the county.

4. **SERVICES.** County shall provide emergency management services as outlined in Chapter 38.52 RCW in accordance with that chapter and as defined and set forth in “Attachment A: Scope of Services” herein during the term of this agreement.

5. **COMPENSATION.** City shall pay County upon execution of this agreement a fee for all services rendered under the terms of this agreement. The fee for 2021 shall be \$30,200 based upon an agency population of 7,550.

Beginning in the year 2021 the fee charged shall be calculated on a per capita basis, using the population figures from the “Population Trends for Washington State” published by the State Office of Financial Management and the adopted budget for the Lewis County Division of Emergency Management. City shall provide input into this budget as set forth in Attachment A. The ensuing year budget shall be reviewed by the Lewis County Emergency Management Committee during the preliminary budget timeline and the fee shall be sent to the participating cities when the projected budget is available. The population of the participating political subdivisions will be used to establish the per capita rate. Each city’s fee will be set by multiplying the per capita rate by the city population. The rate may be adjusted to reflect any excess carryover fund balance, grant funding or any other unanticipated funding. Fees shall be paid on a quarterly basis. Nothing herein shall prevent the County from making a claim for additional compensation in the event of an actual emergency or disaster as authorized by Chapter 38.52 RCW.

6. **HOLD HARMLESS AND INDEMNIFICATION.** To the extent of its comparative liability, each party agrees to indemnify, defend and hold the other parties (and their elected and appointed officials, employees, agents and volunteers) harmless from and against any and all claims, damages, losses and expenses—“expenses” includes but is not limited to all court costs, attorney’s fees and dispute resolution costs—for the following:

- (a) any personal injury;
- (b) any bodily injury, sickness, disease or death; and
- (c) for any damage to or destruction of any property (including the loss of use resulting therefrom)

which are alleged or proven to be caused by an act or omission, negligent or otherwise, of the party's elected or appointed officials, employees, agents or volunteers.

A party shall not be required to indemnify, defend, or hold another party harmless if the claim, damage, loss or expense was caused by the sole act or omission of the other party.

In the event of any concurrent act or omission of the parties, negligent or otherwise, these indemnity provisions shall be valid and enforceable only to the extent of each party's comparative liability.

The parties agree to maintain a consolidated defense to claims made against them and to reserve all indemnity claims against each other until after liability to the claimant and damages, if any, are adjudicated or settled.

The indemnification obligations of the parties shall not be limited in any way by the Washington State Industrial Insurance Act, RCW Title 51, or by application of any other workmen's compensation act, disability benefit act or other employee benefit act. To the extent required by a party's obligations to indemnify, defend and hold harmless the other parties (but solely to that extent), each party hereby expressly waives any immunity afforded by such acts. A party's waiver of immunity does not extend to claims made by its employees directly against the party as employer. The foregoing indemnification obligations of the parties are a material inducement to enter into this Agreement and have been mutually negotiated.

7. **INSURANCE.** The parties shall maintain in good standing their normal liability insurance during the term of this Agreement, which for the County means coverage under the Washington Counties Risk Pool, and for the City means coverage under the Washington Cities Insurance Authority, as either such insurance mechanism may evolve in the normal course.

8. **GENERAL.** Neither party may assign or transfer this contract or any rights or obligations hereunder without the prior consent of the other party. This contract constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all previous negotiations, proposals, commitments, writings and understandings of any nature whatsoever. Any changes to this contract requested by either party may only be affected if mutually agreed upon in writing by duly authorized representatives of the parties hereto.

Failure by either party at any time to require performance by the other party or to claim a breach of any provision of this contract shall not be construed as affecting any subsequent breach or the right to require performance with respect thereto or to claim a breach with respect thereto.

This contract was mutually negotiated by represented parties, and shall be construed neutrally. The parties waive any theory of *contra preferentem*.

No separate entity or joint venture is created by this contract. Each party shall keep its own records of its participation as required by law, and shall produce them as required.

9. **COUNTERPARTS/NEW SIGNATORIES.** This agreement may be executed in original counterparts ratified by the County. It shall be binding upon all signatory jurisdictions approved by the County regardless of whether such jurisdictions' original signatures all appear on a single document, and regardless of the fact that each City's designee for notice under section 2 will be different in different counterparts. Each separately signed counterpart shall be an original.

A City may join this interlocal by passing or approving this agreement as required under applicable law and authorizing a representative to sign it in original counterpart. The County shall pass a resolution approving or ratifying the inclusion of the new signatory, after which time the signatory shall be a party to the contract in all respects.

IN WITNESS WHEREOF, the parties hereto have caused this contract to be duly executed, such parties acting by their duly authorized representatives.
