During the period of suspension of performance, each Party may inform the other of any conditions that may reasonably affect the potential for resumption of performance. When the Parties determine that the funding insufficiency is resolved, the Parties may give written notice to resume performance and a proposed date to resume performance. Upon receipt of written notice to resume performance, the Parties will give written notice to the other as to whether it can resume performance, and, if so, the date upon which it agrees to resume performance.
